Contractor: _____ Date: _____
Address: _____ Time Frame: _____
Phone: _____ Permit # _____

Water to be used for the following activities: _____

Please note that as of March 2004, permit forms have changed. You are now required to submit the attached form and applicable payment on a quarterly basis; forms need to be received at City Hall (Attn: Public Works) by close of business according to the following schedule:

1st Quarter: March 31st	3rd Quarter: September 30th
2nd Quarter: June 30th	4th Quarter: December 30th

Permit Fee: \$50.00 Per Quarter
Water Use Fees: \$2.67/1,000 gallons

In accordance with St. Helena Municipal Code, Section 13.12.030, Use of non treated water may be used for grading, dust control, street, pipeline or similar construction (activities). It is policy of the City of St. Helena to allow non-potable water to be used ONLY within the City of St. Helena City limits.

I declare under penalty of perjury that the information stated above is true and complete to the best of my knowledge. Violations are subject to a \$5,000 fine set forth in Chapter Section 13.12 of the St. Helena Municipal Code.
